## Rector's Ramblings

March this year sees the beginning of Lent – 6<sup>th</sup> March is Ash Wednesday. Lent is a particular time in the year for creating in our daily lives a space for quiet and prayer, reflection and renewal. The 40 days of Lent remind us of Jesus's 40 days in the wilderness and they also remind me of my 40 days in the Sinai desert when I was on sabbatical back in 2014.

When I was planning my sabbatical I first thought of walking from the place of my birth, Stonesfield in Oxfordshire, to Santiago de Compostela in North-West Spain.

In the end I decided to go into the desert instead and I know that was the right decision back then. But I think I would one day like to make my walk.

I don't know if you've heard of Santiago de Compostela, but it has been a place of pilgrimage for over a thousand years and people have walked there from all over Europe, finishing at the cathedral and the shrine of St James.

I've always felt an affinity with St James; after all I am named after him. My second name is James, after St James's Church, Stonesfield where my Dad was the rector. From my childhood I've always remembered a banner of St James hanging in the church, depicting him standing on the top of a mountain, a staff in one hand and a scallop shell in the other. I was pleased to see that it still hangs in the church when I returned for a visit last year as part of my 60th birthday celebrations and looking just now at the picture I took of it then I see the staff is just like the one I took into the Sinai desert with me. It will obviously have to accompany me if I do do the walk to Compostela!

The scallop has long been a symbol of the Camino de Santiago, or the Way of St James, as the pilgrimage is called in English. The lines of the shell, starting spread out at the edge and converging at the base of the shell symbolize the different starting points of the pilgrims and their one finishing point. Though there are traditional routes and different starting points ultimately it is said of the Camino that it begins from the front door of your house.

I'd like you to step out with me on the Camino this Lent – but you won't need your walking boots! This year in the Lent Course running in the benefice we will be watching *The Way*, a film about one man's journey on the Camino, the group of people he meets and the way he is changed by his experience and reflecting on our own journey through life.

# CHURCH NEWS

As one review put it: *The Way is a powerful and inspirational story about family, friends, and the challenges we face while navigating this ever changing and complicated world. As the group make their way across the mountains, defences break down as each of the group comes to realize that life is not so much about changing the things you don't like about yourself. Sometimes it's more about accepting who you really are, and then moving on, content with that knowledge.*

If you would like to attend the Lent Course the details of the dates and times follow this letter. And even if you don't attend, you can still try and make a bit of space for yourself in another way during Lent and maybe reflect on the words you've just read: *life is not so much about changing the things you don't like about yourself. Sometimes it's more about accepting who you really are, and then moving on, content with that knowledge.*

With love and prayers

**Nicholas**

## LENT COURSE

The Lent course, *Following the Way*, will take place in peoples' homes for five weeks, starting in the week beginning 11<sup>th</sup> March as follows:

10am on Tuesdays, 10am on Wednesdays, 8pm on Wednesdays.

*(If need be there may also be a group on Monday evenings).*

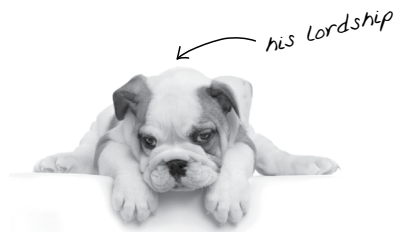

If you would like to come along to one of these groups, please let Nicholas know.

# CHURCH NEWS

## BURIAL GROUND AT ST. JOHNS' CHURCH

No doubt you will have seen over the last few months a planning site notice in place along Brickfield Road, adjacent to the church. After the lapse of over 4 years the PCC is pleased to report that planning consent has been granted for the change of use of land to burial ground.

The need for more burial space has become urgent as the present graveyard, after 150 years, has become full. National Trust as estate owner of Outwood Common, to include land behind and along side the church has agreed, subject to governance and working within the framework of the Charities Act to transfer the land to the Church. As National Trust land is inalienable, following planning consent Tandridge will put in place procedures to compulsorily acquire the land and thereafter to transfer the land to the church (with the consent of DEFRA to release the land as commonland).

To reach this stage many hurdles have had to be crossed. When Outwood Common was gifted to National Trust the area was designated ancient woodland and it has taken a long time to get the land removed from the ancient woodland inventory. The local authority required tree reports, ecology reports, biodiversity reports, heritage statements, monument report, planning statements and so on.

The Parish Council fully supports the application. Undertakings and indemnities have been given to Tandridge with regard to its costs (£1,000.00) and an agreed level of compensation to be paid to National Trust under the Charities Act, (£3000.00) for transferring the land under the CPO. Doubtless there will be further legal costs to be incurred in the future, to be borne by the PCC eg. National Trust, DEFRA and Southwark Diocese for transfer of land under the New Parishes Measure Act 1943.

You may have seen that the National Trust volunteers have been very active in clearing the site of scrub, with the consent of the area ranger, Eleanor Yoxhall. A very detailed tree report has been prepared by Paul Collis and those trees to be retained, oak, ash and some yew have been tagged. Our Councillor, Kevin Bourne has also been extremely helpful in smoothing out the wrinkles with the planning department at Tandridge (the 7th Case officer has just left, which gives some idea of the reason for the length of time all this has taken ). The architects, Thomas Ford and Partners, who have been instrumental in dealing with the recladding of the exterior of the church, have greatly assisted in sorting out a myriad of technical problems.

Outwoodians, it will probably be some time before the burial ground is fit for purpose, with hedges planted, paths laid, seating area finalised but thought all should know what is being done to enlarge the burial ground.

# CHURCH NEWS

The stonework repairs are complete and we will be arranging plenty of opportunities for you to come and appreciate your local heritage.

The Heritage Lottery Funded works include a new path to the porch and the installation of kitchen cabinets. Not forgetting of course all the equipment for the history & memorabilia exhibitions.

## EVENTS FOR THIS HISTORIC YEAR INCLUDE:

**150th Anniversary Concert** performed by the South Nutfield Choral Society on May 18<sup>th</sup> (see elsewhere in this edition for more details).

On June 22<sup>nd</sup> we will be holding '**Heritage Day 2**' combined with the **Horticultural Society Early Summer Show** and a special service on the Sunday.

The **Christmas Tree Festival** returns in December (more details in the future)

And **Afternoon Teas**, throughout the summer, will be on the first & third Saturday of the month from April 20<sup>th</sup> to September.

All are welcome.

*Rosie*

**ON YOUR BIKE**

Our very own Outwoodians, Patrick McIntosh and Glenn Fisher are preparing to embark on an epic journey - cycling 7500 miles to Japan in aid of **St Catherine's Hospice** and **World Cancer Research Fund**.

Patrick as you may know has already sailed across the Atlantic, climbed Kilimanjaro, and trekked across the South Pole, all since surviving 3 primary cancers.

His mission is to raise awareness of early diagnosis, to eat well, exercise and to be positive in one's outlook.

The two intrepid sixty somethings, will leave Twickenham on 4<sup>th</sup> May in a campervan which will be their home for the next 5 months - with Patrick cycling, and Glenn driving, navigating, shopping, cooking, cleaning and fighting off bears! Patrick says he definitely has the easier job!

You can follow their journey on Facebook, Twitter and Instagram:

[www.facebook.com/kmgfoundation](http://www.facebook.com/kmgfoundation)

[www.twitter.com/kmgfoundation](http://www.twitter.com/kmgfoundation)

[www.instagram.com/kmgfoundation](http://www.instagram.com/kmgfoundation)

However, if you would like to make a donation, please visit:

<https://uk.virginmoneygiving.com/PatrickMcIntoshLifeCycle>

where all monies will be divided between the 2 Charities.

**We are hoping to hold a Tea Time Farewell Party  
on Sunday 28<sup>th</sup> April  
- more details in next month's Outwood News**

# NATURE WATCH

As January came to a close and we moved into February the weather changed from being cold, frosty and dry to wet and windy courtesy of storm Erik, evidently named by the Irish met office. However, despite complaints about the earlier cold temperatures, conditions were generally mild and towards mid month crocuses and varieties of early daffodils were breaking into bloom. A high pressure zone over Europe brought us warm southerly winds and many days of wall to wall sunshine, including Valentine's Day when the mercury topped 13°C. The forecast for the later part of the month indicated more fine weather and the likelihood that February would turn out to be the warmest on record. Plants were responding with buds showing early and the ochre yellow catkins were dripping from the hazels along woodland edges.

Yet another welcome sight at this time were the bright yellow flowers of Witch Hazel or Chinese hazel (*Hamamelis mollis*), that are sweetly scented and have ragged spidery petals that emerge from a deep reddish purple base. The name witch and the older spelling wych does not refer to witches and magicians but is believed to come from the Old English word "wice" meaning pliant or bendable; the same word can be found in another tree, the wych elm (*Ulmus glabra*). The word "mollis" relates to the soft, felt-like leaves which turn beautiful shades of yellow touched with

orange during the autumn. The witch hazel or Chinese hazel was discovered in China in 1872 and seeds were sent back to England where they were germinated. Strangely this new introduction was ignored for over twenty years until the sole surviving tree was spotted and recognised by the then curator of the Royal Horticultural Society. There are a number of species of witch hazel some with yellow flowers and some with orange or red, which also show variable autumn leaf colours. Witch hazel has long a long history of use in folk medicine due to the fact that they contain high levels of tannins and anti inflammatories and has been used to treat variety of skin conditions such as bruises, insect bites, itchy skin, haemorrhoids and eye inflammation.

The RSPB Big Garden Birdwatch celebrated its 40th anniversary when this year's survey took place on 26 -28 January. The results from the 2018 survey showed a mixture of ups and downs. Blackbirds were down by 18%, robins by 12% and wrens by 11%. On the increase were long tailed tits which were up by 16%, coal tits by 15%, goldfinch by 11%, and the greenfinch and blue tits by 5%. The percentage of gardens in which some of our more popular birds were recorded remained quite high with blackbirds seen in 88% of gardens, robins in 83%, blue tits in 78% and woodpigeon in 77%. However, despite the encouraging rises, recorded bird numbers had dropped by 60% since the start of the survey in 1979.

Paul Pitts reported Canada geese grazing on nearby fields which are almost certainly amongst those that regularly fly back to their night time roosts from that direction, normally I hear their honking calls before seeing them usually in small skeins. Paul also mentioned that swans were back on the Marl pond, which was confirmed by Robin Tanner who as water bailiff said that the pond also has a regular in the form of Donald the Muscovy duck. Donald has evidently become so used to being fed with bread that at feeding time it will flap up to Robin almost taking the bread out of his hand

## FEBRUARY MEETING

Happy Birthday to us - this month our Outwood WI group celebrated its 98th year of meeting! 98 years of comradeship and learning is something to be proud of and we spent an afternoon reflecting, amongst other things, on how life has changed for women since our group began. We were happy to welcome representatives from three other local groups (Burstow, Horley and Redstone) to share our birthday tea. Members contributed much homemade food of different varieties and the tables groaned with delicious savoury and sweet baked treats. We sang a hearty "Happy birthday to us" once the candles on the cake had been lit.

*Photograph shows our president Carolyn Last and secretary Pearl Ford lighting the candles*

It seemed appropriate to find talent from within our group for this month's focus speaker, and we could not have made a better choice than our own treasurer, Caroline Durance. Caroline spent a year (from May 2016 – 2017) working as selected partner of Councillor David Powell, who was elected as Mayor for the Borough of Reigate and Banstead. David took as his theme "Love your Community" and they worked tirelessly to do just that, attending every event to which they were invited and spending many hours talking to an enormous number of people of all ages and backgrounds. Caroline helped David to raise funds for several good causes ranging from children's charities and youth groups to retired members of the armed forces and she showed us a film which was a record of some of the events they attended. We were astounded at the variety of invitations they received, beginning with the investiture at Buckingham Palace. Caroline attended at hundreds of different venues: pizza restaurant openings; commemorations for both World Wars; residential homes and alms houses; art exhibitions created for those with mental health issues; award ceremonies for volunteer workers; Southwark Cathedral for a new bell blessing; parachute jumps. She also found herself participating in challenging experiences to highlight the need for support in the community, including a night of rough sleeping to raise money for the local YMCA. Add to this the many Christmas events and all the fairs and fetes, and we quite understood why Caroline was so exhausted at the end of her year's service. She views it as having been a marvellous opportunity and a huge honour, but also a humbling experience as she met so many wonderful people who are giving their own time every day to support others in need. We are all very proud of her achievements and we enjoyed the opportunity to share some of her memories.

On a lighter note, we also loved seeing some of the amazing outfits she wore to the functions!

*Caroline Durance in one of the stunning outfits she wore for her talk.*

Our next meeting will be on Tuesday 5th March when our president Carolyn Last will be giving us a talk entitled "History on your Head". We cannot wait to try on all those historical hats!

# OUTWOOD PARISH COUNCIL

## FEBRUARY MEETING HIGHLIGHTS

**County Councillor Thorn:** Limited funding is being pooled across the county to pay for larger highways projects including flood mitigation.

**District Councillors Bourne and Fitzgerald:** Enforcement officers have visited Etheringtons. Planning permission has been granted for the burial ground.

**National Trust:** January's Wassail event was successful.

**Planning:** Current planning applications were discussed. 2019/138 concerns about unsustainable development. 2019/205 no objections.

**MUGA and Wells field:** Minor issues identified at a recent inspection will be dealt with by local volunteers. A recent cricket tournament raised funds for the MUGA.

**Annual Village Meeting:** 1st April Lloyd Hall will be preceded by a talk on well-being prescriptions.

**Highways:** There has been a recent spate of bottle throwing from cars on Dayseys Hill. Heavy rain has resulted in a lot of surface water on the roads. Outwood Lane is a particular problem. Parish Council will liaise with Surrey CC.

**Lloyd Hall:** The parking project has an estimated cost of £13-14,000. The Lloyd Hall and Parish Council have agreed to work together to seek funding.

**Aviation and transport:** Ian Frow went to Gatwick Airspace Change Meeting about Route 4. As a result of the judicial review a three-year checking and implementation period is underway but, in the mean-time aircraft will continue to use Route 4.

**Community Matters:** We will be holding a litter picking session in the village on Saturday 6th April 10am meet in the Castle Car Park. Please let the Parish Clerk know if you can join us. The lease for the Castle is up for sale. The Parish Council will look into applying for a grant to fund some community fitness equipment for the village.

**Next meeting: Tuesday 12th March 2019 8pm Church Room.**

**All residents are welcome to attend.**

*For more detailed meeting reports and any current planning applications please visit the website at [www.outwood.org](http://www.outwood.org) and click on Parish Council.*

## OUTWOOD'S PUBLIC TRANSPORT

**Note: 315 stops (and drops off)  
anywhere in the village when hailed.  
For simplicity the times are given for  
Millers Lane.**

**Please make timing adjustments  
for stopping elsewhere.**

### 315 Cruiser Service

Times to and from Redhill, but this bus also  
goes to Dormansland via Smallfield

#### Monday to Friday only

Leaves Millers Lane	07.48
	10.25
	13.50

The 10.25 and 13.50 buses also go  
to East Surrey Hospital via Redhill.  
Buses leave the hospital at 12.15  
and 17.05 to return to Outwood.

Leaves Redhill Bus Station	09.00
	12.25
	17.15
<i>Fridays only</i>	15.37

On school days there are also  
buses from Millers Lane at 07.45

### Buses4U

Post: Office of the Police and Crime  
Commissioner for Surrey  
PO Box 412, Guildford, GU3 1BR

## COMMUNITY SPEEDWATCH

As the daylight hours  
are drawing out and  
temperatures improve a bit,  
we could be able to resume  
speed monitoring sessions  
at the approved sites in the  
village. Some other areas  
have already begun, but  
we have a larger number of  
volunteers to call upon at  
varying times.

We look forward to seeing  
(but not recording) you soon!

# OUTWOOD CRICKET CLUB

[www.outwoodcricket.club](http://www.outwoodcricket.club)

As we enter March, preparations for the new season are well advanced;

Throughout March and into April we are running indoor nets at Hawthorn School for both academy and senior players, and our ladies are in action in the second part of their indoor league – details of both are on our website.

The ground and pavilion will re-open on 6 April – a great opportunity to drop by and meet up with club members as they assemble the nets and prepare the equipment for what promises to be a great summer of cricket.

The Outwood Youth Academy starts with an open day on 13 April – see the full page ad on page 27 for details of how to get involved

Our 1st XI and 2nd XI will be playing their league cricket in the Kent County Village League Divisions 1 and 6 respectively.

We have re-entered the Surrey Slam, mid-week T20 tournament. In 2018 we made it to the county finals day, losing to the eventual winner in the first semi-final.

Our women have entered in the ladies equivalent of the men's Surrey Slam tournament with mid-week and weekend games throughout the summer.

To further develop our youth we have entered a team into the Surrey Trust League where the emphasis is playing a team predominantly drawn from our U21 and late teens. Eight matches are played on Sundays (four home, four away) throughout the summer.

Social cricket is well served throughout the summer with Sunday games played from late April through to September.

## **Appeal for carpentry materials and project ideas for community reparation project in Outwood**

A project has recently been set up by Surrey Family Services (SFS) in Outwood running a carpentry workshop for vulnerable young people and young people on a court order. Small groups meet at Hookhouse Farm, where the Wells family have kindly let us use one of their barns for the work.

It is a six week programme enabling them to learn new skills, providing work experience and the facility to complete their community reparation order. The young people are referred to SFS through a number of agencies including CAMHS (child and adolescent mental health services) and the courts.

They work on bespoke community-based projects under supervision.

Recent ones include building three disabled ramps for the church and church rooms.

Where possible we recycle materials and Outwood Cricket Club donated their old sightscreen last summer which has been used to build the disabled ramps and other items.

Funding for this programme is limited and does not cover costs of materials and fixings or any additional equipment we might need. We would be interested to hear if you have any wood, fixings or tools you would be willing to donate.

We would also welcome any carpentry-related community project ideas for the village that we could get involved with. We are unable to work off-site so construction can only take place at Hookhouse Farm, ready for delivery.

**For more information please contact: Simon Knight**

# National Trust

It seems like such a long time ago already, but I must mention the fabulous turn out for the Wassail in January. Thank you to everyone who came along and made it such a fabulous evening. As well as all the help the Outwood Volunteers put into preparing for it and lighting the beacon, and a big thank you to The Bell Inn, R&S Etherington Ltd and Outwood Parish Council for helping fund it.

Since the beginning of February, the Outwood Volunteers have been hard at work constructing tree guards and planting apple trees within a couple of orchards around the Harewoods Estate and Sandhills, to replace some of the trees that have been lost over the years.

Traditional orchards are really important habitats. But unfortunately orchards have declined in numbers around the UK by 63% since 1950. Mainly due to neglect, intensification of agriculture and from pressure from land development.

Our plan is to eventually be able to make cider from some of the apples produced by these trees, to enjoy at future Wassails!

Eleanor Yoxall - National Trust Ranger (Harewood Estate & Limpsfield Common)
